

# Community Council Minutes

## 10/16/18

Conducting: Mark Hoss, Chair

Attending: Mark Hoss, Jenny Leavitt, Mandy Dover, Micklee Hiatt, Jessica Holdcraft, Dallas Dixon, Cheryl Hutchings

Parent: Jeremy Lamph

Micklee Hiatt welcomed back after elections.

Dallas Dixon reviewed the School Compact and Parent Engagement Policy. The School Compact is online currently and will be sent home at SEP's in November.

Schoolwide Plan was reviewed with Dallas Dixon leading the discussion.

The 2017/2018 Final Trustland Report from last year was reviewed.

Last year our goals were: to increase math and reading – hired DIBELS Aides.

Next was music after school. Our choir teacher quit midyear last year. We will try to add choir again. The school board will need to approve this. This is the reason we had a \$9,000.00 carry over.

For this year we would love to add in something in for high abilities book. (ex: Stem activities, science experiments. Parent volunteers are always welcome to help with any of these.)

Reminder of Community Council Training is Thursday, October 25<sup>th</sup>.

Parent concerns: Mark Hoss, Jessica Holdcraft, Jeremy Lamph expressed concern about changing the school Halloween Party from Oct. 31 to Oct. 26<sup>th</sup>. There was a discussion about how parents were contacting the Community Council members to voice their concern. Jenny Leavitt assured the members that this decision was not made in haste and only 3 parents had emailed her about changing the date.

Next Community Council will be November 7, 2018 at 1:15 pm.
