2020-2021 School Improvement Plan

*DIBELS MOY GROWTH (Our goal is 80%, the district goal is 75%)

* Kindergarten 59%

* 1st Grade 81%

RTI, Boot Camp, Small group reading instruction in place for 1st grade.

*2nd Grade 81%

*3rd Grade 69%

*4th Grade 55%

*5th Grade 71%

Our teachers are making plans for each student who is struggling.

We are going to re-focus on small group reading instruction for 3-5 grades. We will only be using “research based” programs to help students.

Virtual students that have come back are a little behind.

We are ordering National Geographic Books for use in 3-5 grades for our higher readers to challenge them.

Council suggestions to help parents: access reading programs at public library during the summer.

Students also have access to certain online programs the school uses during the summer such as Lexia, etc.

We received a PTO grant for \$1,000.00 to purchase new books for the take home library. Mrs. Leavitt is also waiting to hear about a foundation grant for \$1,000.00 as well.

Other Items:

1. Security Cameras for school: Jenny will look into this
2. PTO – no Evening of the Arts because of COVID.
3. 5th grade graduation – not sure what it will look like, but we will definitely do something for it.

Next Meeting: Come prepared to talk about our Trustlands Plan for next year. Remember that our Art teacher is partially paid with Trustlands Funds. Also, we added intervention paras to be paid with these funds as well.

Next meeting: March 15, 2021.
