Anyone can email Jenny if interested in jobs next year.

2023-2024 School Improvement Plan

Vote: All 4 in favor of approving Plan

Once the Plan is entered into the school land trust site Jenny will need everyone's signatures.

District New Tax Initiative

Parents can check on District web site for more information. Or, they can contact Brent Bills at the District Office.

Council Members up for re-election:

Micklee Hiatt

Genna Goodwin

Dylan Hurt

Title 1 status: it was suggested that we have Community Council Members call parents to get lunch applications filled out. Dallas felt that if another parent was calling it might help those who do not fill out applications to do so.

Counselor visits per year: Jenny clarified that it is not cut and tried on how many visits a counselor can meet with students. The 6-8 times per year is a suggestion. It is recommended that students that need more possibly get outside counseling.

Drills:

We will need to do a Reunification Drill next year.

Security concerns: Jenny would like to see a panic button that would call 911 immediately for help. Also, a button to notify classroom teachers of an immediate lock down. Kyle Clark said he felt parents would donate money for these to happen.

Next meeting will be held in September in the Fall.
